CLASS SPECIFICATION**

ACCOUNTING CLERK

FLSA STATUS:

Non-Exempt

CLASS SUMMARY:

The Accounting Clerk is the first and entry level in a four level Fiscal Support series. Incumbents are responsible for performing routine data entry activities such as processing documents and preparing reports related to accounts payable, accounts receivable, and procurement and providing general accounting, administrative or customer service support. Incumbents may assist with ordering, general customer service, and routine correspondence.

Distinguishing characteristics within the class, based upon assignment are, at entry, responsibility for assisting with and learning how to perform the essential duties of the classification under close supervision. More senior positions are responsible for independently performing the essential duties of the classification.

The Accounting Clerk is distinguished from the Accounting Technician, which is responsible for performing journey level preparation and maintenance of complex financial, statistical, budgetary and payroll records involving posting and balancing.
